### **Joys and Sorrows**

**Peter J:** Let us embrace and be thankful for one another as people around the world struggle for basic needs, water, shelter, food, clothing, and safety!

**Tim S:** Continued heartbreak over all the gun violence in our city.

**Sharon F:** Grateful for all I am continuing to learn from my BIPOC LGBTQ, other abled, and other spiritual siblings. Thank you to Jane Hulting for the musical miracles you are continuing to pull together in this last season of you being our leader for the choir. Prayers for Bernadette who continues to amaze and inspire me. Thank you for this community where I can make mistakes and still be held in love.

**Annabel G:** Remembering my sister Suzanne Kerns who died a year ago today. Many memories surfacing, looked at many pictures. I have been blessed by my sister's life.

**Louise S:** Please send healing thoughts for everyone affected by COVID but especially for 4 of the little ones I work with between the ages of 2 and 6 who have contracted this wretched disease.

**Leslie F-S:** Joy that Dorian is here on the sanctuary with us!!  
Extra hug to Anne G. who fell and is healing this morning

**Holly J:** Beautiful day for a stroll in my garden-I look forward to seeing everyone who can make it. We'll toast Bernadette's Camino and fall! Wear a sweater! ♥☐ Also, I am part of a Parkinson's trial which starts this week through Jefferson!
