OWL (Our Whole Lives) Interest Meeting Thurs. 7/7 @ 7:30pm

To start in October, for students roughly in grades 7-9. The celebrated UU curriculum is about human sexuality and relationships, and we have had great experiences with it in the past. This meeting is for possible teacher/facilitators and parents of kids who might be interested from our congregation. The meeting will be on Thursday, July 7, starting at 7:30pm, using the Worship Zoom.

Poem from last week sung by Annie G: "The Voice of Another Woman"

words by Susan Windle

Do not muffle
do not cloud
speak with your full voice
which is luminous
and please in mid-sentence
do not cover yourself
with that veil.

I want an end to shame.
I want clarity—mine and yours.
They told you brilliance would hurt
do not believe them
they said that light in your hands is stolen
do not duck away like a thief.

Take the reins of the chariot
and shake loose
what you hold back —
take the reins and shine

Shine on me.
