

# Ronstadt Review Concert

at the New Hope Winery

In her unforgettable celebration of the inimitable Linda Ronstadt's multi-genre career (including both English and Spanish-language material), powerhouse vocalist Gesenia doesn't just channel Ronstadt's vibrant sound, she embodies her very spirit. Endorsed by three of Ms. Ronstadt's own band members (2 of whom are co-producing the band's upcoming album), the Ronstadt Revue will take you on a sentimental journey through such hits as *"When Will I Be Loved?"*, *"You're No Good"*, *"Blue Bayou"*, *"Perfidia"* and the Eagles' *"Desperado"* and have you singing these beloved songs all the way home. As Linda's former guitarist and bandleader, John Beland, has said, *"Gesenia makes the hair on my arms stand up and tingle when she sings. The Ronstadt Revue is the real deal. There are tribute bands and then there is this. Don't miss it!"*
